### Call for Abstracts

The University of Alberta Structures Group is pleased to present the 3<sup>rd</sup> Annual Structures Graduate Students Conference on **September 1<sup>st</sup>, 2017** at **The Royal Glenora Club**, Edmonton, AB. The conference seeks submissions from academia presenting novel research results in all practical and theoretical aspects of structural engineering. Accepted abstracts will grant presenters the opportunity to give either an oral or poster presentation.

### Abstracts Guidelines

Submitted abstracts should follow the template provided at [structures.civil.ualberta.ca](http://structures.civil.ualberta.ca) and be related to Structural Engineering. Abstracts should not exceed 350 words. Preference for either an oral or poster presentation should be indicated. However, please note that space is limited. Early bird submissions are eligible to win a \$100 cash prize in a draw.

### Oral Presentation Guidelines

- Presentation should be prepared in PowerPoint format and submitted via USB drive or emailed before September 1<sup>st</sup> to [sgsc.uofa@gmail.com](mailto:sgsc.uofa@gmail.com).
- Each presentation is allotted **10 minutes; 7 minutes** for the PowerPoint presentation and **3 minutes** for questions.

### Poster Presentation Guidelines

- The poster should not be larger than 3 ft x 2 ft and should include a title and the presenter's full name.
